- Ability to Build PC with decent cable management.
- I have both Windows and Mac operating system experience. Moreover I was good at Office and some Adobe Softs.
- I have well knowledge about PC and Mobile Hardware and Firmware.
- I have good knowledge about PC and mobile troubleshooting.

Hobbies

- Tech Analysis
- Experience New Innovations
- Ai Leaning
- Communication Build Up

Summary

I'm a total tech enthusiast who loves diving deep into the latest gadgets and innovations. My passion truly shines when I'm assembling custom PCs, turning raw components into powerful machines. I enjoy the challenge of understanding how different parts work together. Building PCs has given me a hands-on understanding of hardware and troubleshooting. Ultimately, I'm always eager to explore and build with new technology.
